\_\_\_\_\_ MAXIMUM - Pays the largest monthly benefit a retiree is eligible to receive but does not provide for a monthly benefit to be paid to a named beneficiary after the retiree's death; however, in the event the retiree dies before he/she receives in total monthly and lump-sum benefits an amount equal to his/her contributions, the beneficiary or estate will be paid the difference in one lump sum payment.

\_\_\_\_\_ OPTION 1 - Pays the retiree a monthly benefit that is reduced from the Maximum. If the retiree dies before he/she has received in retirement payments purchased by his contributions, the amount he had contributed to the fund before his retirement, the balance thereof shall be paid to his legal representative or to his named beneficiary.

\_\_\_\_\_ OPTION 2 - Pays the retiree a monthly benefit that is reduced from the Maximum. In the event of the retiree's death, the same monthly benefit will be paid to the spouse to whom the member was married at retirement for the life of the spouse. The named option beneficiary may not change after retirement..

\_\_\_\_\_ OPTION 3 - Pays the retiree a monthly benefit that is reduced from the Maximum. In the event of the retiree's death, one-half of the monthly benefit will be paid to the spouse to whom the member was married at retirement for the life of the spouse. The named option beneficiary may not change after retirement.

\_\_\_\_\_ OPTION 4 - (Requires approval by the Board of Trustees. Option 4 billed at hourly rate listed on Page 2, subject to a minimum charge of \$150 per calculation)

\_\_\_\_\_ POP-UP – OPTION 2 Pays the retiree a monthly benefit that is reduced from the Maximum. In the event of the retiree's death, the same monthly benefit will be paid to the spouse to whom the member was married at retirement for the life of the spouse. Should the spouse die prior to the retiree, the monthly benefit being paid to the retiree would revert to the maximum monthly benefit. The named option beneficiary may not change after retirement.

\_\_\_\_\_ POP-UP – OPTION 3 Pays the retiree a monthly benefit that is reduced from the Maximum. In the event of the retiree's death, one-half of the monthly benefit will be paid to the spouse to whom the member was married at retirement for the life of the spouse. Should the spouse die prior to the retiree, the monthly benefit being paid to the retiree would revert to the maximum monthly benefit. The named option beneficiary may not change after retirement

If a survivor option is requested, a copy of your spouse's birth certificate must be included with the form.
